In Case of Emergency "ICE"
Procedures for Cell Phones.

Following a disaster in London, the Ambulance Service has launched a national "In Case of Emergency (ICE)" campaign. The ICE program was reviewed on NBC News. Store the word "ICE" in your cell phone address book, and next to it enter the number of the person you would want to be contacted "In Case of Emergency". In an emergency, ambulance and hospital staff will then be able to quickly find out who your next of kin are and be able to contact them. For more than one contact name, store ICE1, ICE2, etc. A Good Idea from the U.K.!
